Class History

The Haviland-Scott Class of 1954 entered their Freshman year with twenty eager members. This year our officers were: Gary Eisenmann, President; Ruby Hockenberry, Vice-President; Lois Williamson, Secretary; and Kenny Zimmerman, Treasurer. Under the guidance of our advisor, Mr. Alfred Sherer, our first year in high school proved to be one of many new experiences and activities. We started our Sophomore year with nineteen active and vivacious members, having lost Gilbert Stepelton, Delores Bennet, and Darwin Jewell; we gained two new members, Mortho Breitwieser and Lucyle Kimmey. During this year, we ordered our class rings. Our advisor was Mrs. Helen Livingston.

The Latty Class of 1954 started their Freshman year with fifteen over-confident members. During this year, we participated in our first high school activities. We put on an assembly program under the direction and guidance of our advisor, Mr. Charles Newton. This year our officers were: Max Pease, President; Jim McDougall, Vice-President; Delores Haltsberry, Secretary-Treasurer. Max Pease and Harold Sinn were chosen to represent our class on the Student Council. The next school term we returned to Latty with a total of thirteen silly, but ambitious, Sophomores. We had lost three of our classmates, Espy Salas, Shirley Gerber, and Deloris Socco. This year some of us were fortunate enough to be on the staff of our school paper, "The Golden Gossip". We had as our officers: Jim McDougall, President; Mable Ray, Vice-President; Harold Sinn, Treasurer; Delores Haltsberry, Secretary. Gerald Sinn and Jim McDougall were on the Student Council. Mr. Richard Holmes was our class advisor.

Due to the consolidation of the Haviland-Scott and Latty Schools, our Junior year was one of many new adjustments. This merger proved to be very satisfactory to the members of our class; we made many new friends and acquaintances. This year we entered Blue Creek School with a total of twenty-six bewitched and bewildered Juniors. We had lost four of our classmates at the start of this school term; they were--Patty Decker, Rex Davis, Harold Beech, and Leona Foust. During the latter part of the first semester, two of our classmates quit school; they were--Richard Turner and Roger Rowe. Our class rings arrived and we were all very proud of them. We had to work very hard this school term in order to raise money for the Junior and Senior trip to Washington, D. C. We presented our class play, "Aunt Cathy's Cat". Due to the expert guidance and direction of our class advisor, Mr. Richard Hills, the play was quite a success. Our officers this year were: Harold Sinn, President; Ruby Hockenberry, Vice-President; Lois Williamson, Secretary-Treasurer.

Now, at last, the long journey is almost over. We are now Sophisticated Seniors (supposedly). This year is the busiest and most eventful of them all. We edited this edition of the "Galaxy", and presented our Senior play, "A is for Apple", on April 8th. Our officers are: Harold Sinn, President; Dick Perry, Vice-President; Gary Eisenmann, Secretary-Treasurer; Kenny Zimmerman, Reporter. Again our advisor is Mr. Richard Hills. We are looking forward to Graduation Day and to our Junior and Senior trip to New York, but we are looking backward to all the days we spent in school--days that will enable us to become better and more active citizens of our country. "Life is like a picture, paint it well."

The immediately following pages have been devoted to those whom we owe much. It is these people who stand ready and willing to serve us that have made possible the compilation of this annual. The Galaxy Staff, if I may speak for them, heartily endorses all the names of the shops and stores found in this advertising section. A most sincere "Thank You" to all those who have been connected with the advertising, whether a member of the staff or a member of the clientele.
